

Local fun

In our 'new normal' post COVID19, everything listed below is obviously now subject to change / opening / social distancing measures etc. We absolutely highly recommend that you check directly with anyone listed that they are indeed operating before heading to see them.

We are very lucky! We are surrounded by great walks, lovely villages and great pubs!
We highly recommend...

Fine Dining

The Falcon, Buntingford

Dog friendly  outside only

Distance: 10 minute drive away

www.falconrestaurant.co.uk

For a fine dining experience with classic British flavours at their heart, their menus are a celebration of seasonality, and they champion produce from local farmers and suppliers. Mention that you are staying at Bethnal&Bec and enjoy a free cocktail during your meal. They have also opened a wonderful deli for dine in and takeaway which serves casual lunch dishes alongside artisan produce.

Pubs

The Bull (our 'local'), Cottered

Dog friendly  garden only

Distance: 500m away up the main road in the village

www.thebullcottered.co.uk

A highly regarded gastropub. Unfortunately, it's the only pub that doesn't allow dogs! (they are welcome in the garden). Please note that The Bull closes between their lunch & dinner service (3.00pm-6.00pm)
